A mousse with sugar and cream can run from 185 to 350 calories per serving. With **Calorie Control® Mousse Dessert Mixes**, we've cut the calories all the way down to only 80 or less per serving.

The **Chocolate, Lemon**, and **Key Lime Mousse flavors** are made with **Natural** flavors - Dutch Cocoa in the **Chocolate**, Pure Lemon Flavor in the **Lemon** and Pure Lime Flavor in the **Key Lime** they are all unbelievably delicious!

Bernard Food Industries continues to lead the way in developing new reduced calorie products, not only for the health care field, but also for commercial foodservice establishments catering more and more to America's love affair with **Lite** desserts.

So easy to prepare - and a dessert the likes of which has never before been offered to the American Foodservice Industry.
